## **Black Lives Matter II A Republican Reckoning**

By: Gary E. Foresman, MD

The idea of eugenics is based upon the assumption that people/the races are basically unequal. Democracy is built upon the knowledge, not assumption, that all people are created equal. Eugenics, or the "science" of ethnic cleansing, got its start in the late 1800s in the United Kingdom and in the USA. Hitler marveled especially at America's efforts, we served as the inspiration for the Holocaust.

America is at it again. Whether you call it eugenics or racism, we are talking state sponsored hatred of all humanity. Whether you call it alt-right, nationalist, “Christian” conservative, ISIS, white supremacist, or Republican Party you are talking about the hatred of all humanity (especially the race or “religion” you support). Hitler promoted organic lifestyle, organic herbal medicine, was anti-smoking, all things I am completely in line with. But you see, that eugenics thing is a deal-breaker for me!

Twenty one years of Fox news has turned the Republican Party back 100 years to open war on humanity, although watching their station is not illegal, it is immoral. State sanctioned immorality, although unethical, becomes legal and we get the Holocaust. Whether you like tax cuts for the rich, environmental destruction or good old-fashioned misogyny or whatever you think is good about the party, the eugenics thing should be a deal breaker for you! We tried eugenics before Hitler!

The cost to humanity in human lives when Hitler started down this path and people didn't believe he was that bad because he was so nice to them, charismatic, had family values:

- Jews: up to 6 million
- Soviet civilians: around 7 million (including 1.3 Soviet Jewish civilians, who are included in the 6 million figure for Jews)
- Soviet prisoners of war: around 3 million (including about 50,000 Jewish soldiers)
- Non-Jewish Polish civilians: around 1.8 million (including between 50,000 and 100,000 members of the Polish elites)
- Serb civilians (on the territory of Croatia, Bosnia and Herzegovina): 312,000
- People with disabilities living in institutions: up to 250,000
- Roma (Gypsies): 196,000–220,000
- Jehovah's Witnesses: around 1,900
- Repeat criminal offenders and so-called asocials: at least 70,000
- German political opponents and resistance activists in Axis-occupied territory: undetermined
- Homosexuals: hundreds, possibly thousands (possibly also counted in part under the 70,000 repeat criminal offenders and so-called asocials noted above)

(Data from the US Holocaust Memorial Museum)

Eugenics, meaning “alt-right”, or whatever terminology of non-truth you use, opposes democracy and the country you supposedly love! One can no longer sit back and say I am not a racist and yet support a racist party. Passivity is permission. Love of humanity and country must overcome tribal attachment to a party that has declared war not just on African Americans, Native Americans, Mexicans, Muslims, but on the very people who vote for it. Cancer destroys all it touches, especially the innumerable cells of the body duped into supporting the growing malignancy.

Please wake up in time, if not for humanity, for yourself.

Gary E Foresman, MD
